

Bradley 315 Music Fest

Merch Vendor Application

Send your completed application AND deposit check (*make check out to BRADLEY ECONOMIC DEVELOPMENT CORPORATION*) to the Village of Bradley by April 1st 2026 to be considered to vendor at the fest.

Please note your deposit check must accompany your application in order to consider the application complete.

All vendors must conduct business within the 10' x 10' or 10' x 20' space provided by the Bradley 315 Fest.

Final vendor locations will be assigned based on size and electricity requirements.

If an application is accepted and a vendor chooses not to participate, the deposit is non-refundable.

No more than five (5) Vendor passes will be allowed per vendor

Vendor passes are not tickets to the festival, if a vendor chooses to allow its employees access to the fest while not working, they must purchase tickets.

Any vendor pass caught outside the vendor area (without committee person approval) will result in the ejection of employee and vendor pass forfeited.

It is the goal of the Bradley 315 Fest that the community is provided with the broadest possible choice of products with the smallest degree of duplication, however, we cannot guarantee exclusivity to any vendor.

No Soda, water, or Gatorade may be sold from vendors at this time. (Subject to change)

Deposit Amount	\$200
Total Fee for three-day event (June 4 th , 5 ^h , 6 th 2026)	\$250
3 Day electrical hook up	\$75.00
